

Timestamp	Did you use both the RRA and RRS?	About how long did it take you to get through the RRA?	Did you save time filing out Rogers Review forms by using the RRA?	Do you think a pro se litigant could successfully use the the RRA and RRS?	Please explain:
12/1/2019 17:16:39	Yes	20 minutes	Yes	Yes	so long as they know they need it (i.e. they know that zyprexa is an antipsychotic or that nursing home admission down the line will require rogers authority)
12/2/2019 14:42:56	Yes	10 mins	Yes	Yes	

Did the RRA correctly fill out your documents?	If no, explain what areas were incorrect:	Did the RRS send you a text message?	How likely are you to recommend the RRA and RRS to other attorneys?	Why or why not?	How likely are you to recommend the RRA and RRS to pro se litigants?
Yes		No	4	It's easy to navigate	4
Yes		No	5	Can be very helpful filling out forms!--streamlining!	5

Why or why not?	Is there anything you would change about or add to the RRA and RRS?
It is easy to navigate	perhaps an "info" tab that explains why they are answering "No" or "yes" etc...
This is great! And very helpful for those who understand the treatment the respondent is receiving but needs help filling out forms
